Group Keyboard 1 (Beginners)

Group Keyboard 1 (Beginners) is a dynamic introductory music class designed for children with little to no piano or music experience. This course covers essential piano/keyboard skills, note reading, ear training, and music fundamentals, all in a fun and engaging group setting. Children will experience a variety of engaging learning activities, including singing, keyboard playing, rhythmic instruments, music listening, and musical games. This course is the perfect starting point for children to embark on their musical journey, offering a well-rounded foundation in a fun, supportive group setting.

Group Keyboard 2 (Non-Beginner)

(For returning students only who have completed Group Keyboard 1 for Beginners)

This class is tailored for students with **over four months of previous group class experience** at our studio. (If your child has no prior experience, please enroll in our beginner's class.) It is designed to advance students to the next level of keyboard playing. In addition to keyboard skills, each class incorporates engaging activities like solfege singing, rhythmic exercises, ear training, and note reading to enrich the learning of new musical concepts and skills.
